

THE PERFECT FAMILY DAY OUT!

CANNON HALL FARM IS AN AWARD WINNING, FAMILY RUN FARM ATTRACTION SITTING IN THE BEAUTIFUL PENNINE FOOTHILLS.

THE FARMYARD

Our barns are all undercover and give visitors a unique insight into modern farming. We carry on every day farming life - including tractor and machinery work - as visitors watch from purpose-built viewing platforms above the animals. Our farmers are always happy to answer questions as they go about their daily duties.

INDOOR SOFT PLAY

Our spectacular indoor play area, The Hungry Llama is one of the biggest and best in the region. It's a hive of exciting play opportunities with nine dramatic slides designed to entertain the most adventurous children. We serve great food in the 350 seat restaurant where adults can relax while the kids play.

ADVENTURE PLAYGROUNDS

Our huge outdoor play areas are some of the best in the North of England. There's adventure everywhere with fantastic slides and towers for the kids to let off steam.

FARM SHOP

Our site also boasts a fantastic farm shop which is crammed with our highest quality produce. We run regular in store promotions - including our popular 3 for £10 offer on our great value meat packs.
